Notes to the financial statements for the year ended 31 December 2021	11

## Strategic Report

The Directors present their strategic report on British American Tobacco (Philippines) Limited (the “Company”) for the year ended 31 December 2021.

### Principal activities

The principal activity of the Company was the sale of tobacco products through its branch in the Philippines (the “Branch”) as a member of the British American Tobacco p.l.c. group of companies (the “Group”). In 2017, it was decided that the Company will cease operations in the Philippines. The closure of the business is expected to be finalised by the end of 2022.

### Review of the year ended 31 December 2021

The profit for the financial year attributable to the Company’s shareholders after deduction of all charges and the provision of taxation amounted to £117,000 (2020: loss £68,000).

Over the years the Company faced significant challenges in building a sustainable business through its Branch in the local market. This was mainly due to sales at negative margins imposed by a highly fragmented market, a complex excise system and inability to build scale. The Company had been loss making since it re-entered the market. As a consequence, as at 31 December 2017 it was decided that the Company will cease operations in the Philippines. The closure of the business is expected to be finalised by the end of 2022 however local legal state operations have been heavily impacted by the COVID-19 pandemic, which has delayed the actual closing of the Branch. As a result, the financial statements have been prepared on a basis other than going concern.

### Key performance indicators

Given the nature of the Company’s activities, the Company’s Directors believe that key performance indicators are not necessary or appropriate for an understanding of the Company’s specific development, performance, or the position of its business. However, key performance indicators relevant to the Group, and which may be relevant to the Company, are disclosed in the Strategic Report in British American Tobacco p.l.c.’s 2021 Annual Report and Form 20-F (“BAT ARA & 20-F”) and do not form part of this report.

### Principal risks and uncertainties

The principal risks and uncertainties of the Company, including financial risk management, are integrated with the principal risks of the Group, and are monitored by audit committees to provide a framework for identifying, evaluating, and managing risks faced by the Group. Accordingly, the key Group risk factors that may be relevant to the Company are disclosed in the BAT ARA & 20-F and do not form part of this report.

### UK Companies Act 2006: Section 172(1) Statement

The Company is part of the Group and is ultimately owned by British American Tobacco p.l.c. As set out above in the Company’s Strategic Report, the Company’s principal activity is the sale of tobacco products through its Branch in the Philippines. In 2017, it was decided that the Company will cease operations in the Philippines. The closure of the business is expected to be finalised by the end of 2022.

Under Section 172(1) of the UK Companies Act 2006 (“the Act”) and as part of the Directors’ duty to the Company’s shareholders to act as they consider most likely to promote the success of the Company, the Directors must have regard for likely long-term consequences of decisions and the desirability of maintaining a reputation for high standards of business conduct. The Directors must also have regard for the business relationships with the Company’s wider stakeholders, and the impact of the Company’s operations on the environment and communities in which it operates. Consideration of these factors and other relevant matters is embedded into all Board decision-making and risk assessments throughout the year.

## Strategic Report (continued)

### UK Companies Act 2006: Section 172(1) Statement (continued)

The Company's key stakeholders through its Branch are direct and indirect services suppliers to the Company, other Group undertakings, its shareholders, the government, customs, revenue and tax authorities and wider society in countries in which the Company operates. The Company does not have any employees.

Primary ways in which the Company engages directly or indirectly, as part of the Group, with its key external stakeholders are summarised on pages 20 to 21 of the BAT ARA & 20-F. Engagement with other Group undertakings and its shareholders is conducted through regular meetings, intra-group management activities and ongoing dialogue. There is also regular engagement within the Group on finance-related matters which is taken into account in the Company's decision making.

Where the Directors do not engage directly with the Company's stakeholders, they are kept updated on stakeholder perspectives, including through the use of management reporting and board notes relating to matters presented to the Board during the year which set out stakeholder considerations as applicable to matters under consideration. This enables the Directors to maintain an effective understanding of what matters to those stakeholders and to draw on these perspectives in Board decision-making.

In accordance with the Group's overall governance and internal controls framework and in support of the Company's purpose as part of the Group, the Company applies and the Directors have due regard to all applicable Group policies and procedures, including the Group Statement of Delegated Authorities ("SoDA"), and the Group Standards of Business Conduct, International Marketing Principles, Health and Safety Policy, and Environmental Policy as set out on pages 48 and 73 of the BAT ARA & 20-F. As a Group company, the Company acts in accordance with the Group's policies in relation to the safeguarding of human rights and community relationships, which are set out on page 48 of the BAT ARA & 20-F.

Certain authorities for decision-making are delegated to management under the SoDA, part of the Group's governance and internal controls framework through which robust corporate governance, risk management and internal control are promoted within the Group. Application of the SoDA does not derogate from any requirement for Board review, oversight or approval in relation to the Company's activities.

The Directors receive training in relation to their role and duties as a director on a periodic basis. All newly appointed Directors receive training in respect of their roles and duties on appointment, including on directors' duties under Section 172 of the Act. Director training is provided through the Company Secretary.

## Directors' Report

The Directors present their report together with the audited financial statements of the Company for the year ended 31 December 2021.

### Dividends

The Directors do not recommend the payment of a dividend for the year (2020: £nil).

### Board of Directors

The names of the persons who served as Directors of the Company during the period 1 January 2021 to the date of this report are as follows:

Gregory Aris	
David Patrick Ian Booth	
Belinda Joy Ross	
Carola Wiegand	(Resigned: 30 May 2022)
Halawahaduge Kasun Saminda Fernando	(Appointed: 31 May 2022)

### Research and development

No research and development expenditure has been incurred during the year (2020: £nil).

### Political contributions

The Company made no political donations or incurred any political expenditure during the year (2020: £nil).

### Employees

The average number of employees employed by the Company during the year was nil (2020: nil).

### Auditor

Pursuant to Section 487 of the Act, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

### Going concern

As the Directors intend to liquidate the Company following the settlement of the remaining net assets, they have not prepared the financial statements on a going concern basis. The effect of this is explained in note 1.

### Statement of Directors' responsibilities

The Directors are responsible for preparing the Strategic Report, the Directors' Report, and the financial statements in accordance with applicable law and regulations.

Applicable law requires the Directors to prepare financial statements for each financial year. Under applicable law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including Financial Reporting Standard ("FRS") 101 *Reduced Disclosure Framework*.

Under applicable law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

## Directors' Report (continued)

### Statement of Directors' responsibilities (continued)

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so (as explained in note 1, the Directors do not believe that is appropriate to prepare these financial statements on a going concern basis)

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Act. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

### Directors' declaration in relation to relevant audit information

Having made appropriate enquiries, each of the Directors who held office at the date of approval of this report confirms that:

- (a) to the best of their knowledge and belief, there is no relevant audit information of which the Company's auditor is unaware; and
- (b) they have taken all steps that a Director might reasonably be expected to have taken in order to make themselves aware of relevant audit information and to establish that the Company's auditor is aware of that information.

# Independent Auditor's Report to the members of British American Tobacco (Philippines) Limited

## Opinion

We have audited the financial statements of British American Tobacco (Philippines) Limited ("the company") for the year ended 31 December 2021 which comprise the Profit and loss account, Statement of other comprehensive income, Statement of changes in equity, Balance Sheet and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2021 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

## Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

## Emphasis of matter – non-going concern basis of preparation

We draw attention to the disclosure made in note 1 to the financial statements which explains that the financial statements have not been prepared on the going concern basis for the reason set out in that note. Our opinion is not modified in respect of this matter.

## Fraud and breaches of laws and regulations – ability to detect

### *Identifying and responding to risks of material misstatement due to fraud*

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included:

- Enquiring of Directors and inspection of policy documentation as to the Company's high-level policies and procedures to prevent and detect fraud as well as whether they have knowledge of any actual, suspected or alleged fraud.
- Reading Board minutes.
- Using analytical procedures to identify any usual or unexpected relationships.

We communicated identified fraud risks throughout the audit team and remained alert to any indications of fraud throughout the audit.

As required by auditing standards, we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries. On this audit we do not believe there is a fraud risk related to revenue recognition because there are no revenue transactions.

We did not identify any additional fraud risks.

In determining the audit procedures, we took into account the results of our evaluation and testing of the operating effectiveness of some of the Company-wide fraud risk management controls.

## **Independent Auditor's Report to the members of British American Tobacco (Philippines) Limited (continued)**

We also performed procedures including:

- Identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation. These included those posted to revenue accounts which are not expected to be posted manually, that contained key words in the description, users who only posted one entry for the fiscal year, and those posted with an unusual combination

### *Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations*

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience and through discussion with the Directors (as required by auditing standards), and discussed with the Directors the policies and procedures regarding compliance with laws and regulations.

We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.

The potential effect of these laws and regulations on the financial statements varies considerably.

The company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies legislation), distributable profits legislation and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

Whilst the Company is subject to many other laws and regulations, we did not identify any others where the consequences of non-compliance alone could have a material effect on amounts or disclosures in the financial statements.

### *Context of the ability of the audit to detect fraud or breaches of law or regulation*

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

## **Strategic report and Directors' report**

The Directors are responsible for the Strategic report and the Directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the Strategic report and the Directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the strategic report and director's report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

# Independent Auditor's Report to the members of British American Tobacco (Philippines) Limited (continued)

## Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

## Directors' responsibilities

As explained more fully in their statement set out on pages 4 and 5 the Directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities).

## The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Mr. D.P.I. Booth  
 Director

Registered number 03599281

The accompanying notes are an integral part of the financial statements.

## Notes to the financial statements for the year ended 31 December 2021

### 1 Accounting policies

The Company is incorporated, domiciled and registered in England and Wales in the UK. The registered number is 03599281 and the registered address is Globe House, 1 Water Street, London, WC2R 3LA.

Over the years the Company faced significant challenges in building a sustainable business in the local market. This was mainly due to sales at negative margins imposed by a highly fragmented market, a discriminatory excise system and inability to build scale. The Company had been loss making since it re-entered the market. As a consequence as at 31 December 2017 it was decided that the Company will cease operations in the Philippines. The closure of the business is expected to be finalised in 2022 however local legal state operations are heavily impacted by the Covid pandemic, which has delayed the actual closing of the Branch. As a result, the financial statements have been prepared on a basis other than going concern.

The financial statements of the Company have been prepared in accordance with the Act and in accordance with FRS 101 *Reduced Disclosure Framework*.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of UK-adopted international accounting standards, but makes amendments where necessary in order to comply with the Act, and has taken advantage of certain disclosure exemptions available under FRS 101, including those relating to the preparation of a cash flow statement or disclosures regarding financial instruments and transactions with related parties.

The preparation of the financial statements requires the Directors to make estimates and assumptions that affect the reported amounts of income, expenses, assets and liabilities, and the disclosure of contingent liabilities at the date of the financial statements. The key estimates and assumptions are set out in the accounting policies below, together with the related notes to the accounts.

The most significant items include:

- the review of asset values and impairment testing of non-financial assets;
- the estimation of amounts to be recognised in respect of taxation.

Such estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable in the circumstances and constitute management's best judgment at the date of the financial statements. In the future, actual experience may deviate from these estimates and assumptions, which could affect the financial statements as the original estimates and assumptions are modified, as appropriate, in the year in which the circumstances change.

The Company is included in the consolidated financial statements of British American Tobacco p.l.c. which is incorporated in the United Kingdom and registered in England and Wales. Consequently, the Company has taken advantage of the exemption from preparing consolidated financial statements under the terms of Section 400 of the Act.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

#### **Operating expenses**

Operating expenses are recorded in period they relate to and are generated in the normal business operations of the Company.

#### **Turnover and income**

Turnover comprises sales at invoiced value (excluding duty, excise and other taxes) and is after deducting rebates, returns and similar discounts, and is included in the profit and loss account when all contractual or other applicable conditions for recognition have been met.

## Notes to the financial statements for the year ended 31 December 2021

### 1 Accounting policies (continued)

Income is recognised in the profit and loss account when all contractual or other applicable conditions for recognition have been met.

#### Foreign currencies

The functional currency of the Company is Sterling. Turnover and profits expressed in currencies other than Sterling are translated into Sterling using exchange rates applicable to the dates of the underlying transactions. Monetary assets and liabilities are translated at closing rates of exchange.

The Company operates the Branch which has the functional currency of Philippine Pesos, and the results of the Branch are translated to Sterling using exchange rates applicable to the dates of the underlying transactions. Average rates of exchange in each year are used where the average rate approximates the relevant exchange rate at the date of the underlying transactions.

The difference between the retained earnings of the overseas Branch translated at the average and closing rates of exchange is taken to reserves, as are differences on exchange arising on the retranslation to Sterling of foreign currency net assets at the beginning of the year. Exchange differences arising on the retranslation of certain monetary assets and liabilities between the Company and its Branch, which qualify to be treated as a net investment in a foreign operation, are translated at the exchange rate ruling at the end of the year and are taken to reserves. Other exchange differences, including those on remittances, are reflected in the profit and loss account.

#### Taxation

Taxation is that chargeable on the profits for the period, together with deferred taxation.

The current income tax charge is calculated on the basis of tax laws enacted or substantively enacted at the balance sheet date.

Deferred taxation is provided in full using the liability method for temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amount used for taxation purposes.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. As required under International Accounting Standard 12 *Income Taxes*, deferred tax assets and liabilities are not discounted.

Deferred tax is determined using the tax rates that have been enacted or substantively enacted by the balance sheet date and are expected to apply when the related deferred tax asset is realised or deferred tax liability is settled.

Any liabilities or assets recognised for exposures in respect of the payment or recovery of a number of taxes are recognised at such time as an outcome becomes probable and when the amount can reasonably be estimated. As a UK resident wholly-owned subsidiary of the Group of companies, the Company is eligible to surrender tax losses to, or claim tax losses from, fellow members of the same UK group for the purposes of calculating corporation tax due in the UK ("Group Relief").

It is Group policy that tax losses are surrendered unless the entity generating the losses has a particular requirement to carry the losses forward. It is also Group policy not to reimburse entities for Group Relief surrendered unless, on a stand-alone basis and assuming the entity were not in the Group, those losses are judged to have value to the entity generating the loss.

#### Tangible assets

Tangible assets are stated at cost less accumulated depreciation. Cost includes the original purchase price of the asset and the costs attributable to bringing the asset to its working condition for its intended use.

## Notes to the financial statements for the year ended 31 December 2021

### 1 Accounting policies (continued)

Depreciation is calculated on a straight-line basis to write off the cost of tangible assets over their useful lives. Depreciation is charged pro rata based on the month of acquisition and disposal.

The rate of depreciation used for plant, machinery and equipment is 20-25%.

#### Impairment of non-financial assets

Assets are reviewed for impairment whenever events indicate that the carrying amount of an asset may not be recoverable. In addition, assets that have indefinite useful lives are tested annually for impairment. An impairment loss is recognised to the extent that the carrying value exceeds the higher of the asset's fair values less costs to sell and its value in use.

#### Financial instruments

The Company's business model for managing financial assets is in accordance with the principles set out in the BAT Group Treasury Manual which notes that the primary objective with regard to the management of cash and investments is to protect against the loss of principal. The majority of financial assets are held in order to collect contractual cash flows (typically loans and other receivables).

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and derecognised when it ceases to be a party to such provisions. Such assets and liabilities are classified as current if they are expected to be realised or settled within 12 months after the balance sheet date. If not, they are classified as non-current.

Financial instruments are initially recognised at fair value plus directly attributable transaction costs where applicable. The Company's financial assets consist of cash and debtors, including loans (debentures) and trade receivables, amounts owed by Group undertakings and other debtors. These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently carried at amortised cost, using the effective interest rate method, and are stated net of allowances for credit losses.

Non-derivative financial liabilities, including creditors, are subsequently carried at amortised cost using the effective interest method.

Where interest bearing receivables and payables have their floating rates based on benchmark rates, such as London Interbank Interest Rate ("LIBOR"), the Company accounted for the application of replacement benchmark rates in accordance with the Amendments to International Financial Reporting Standard ("IFRS") 9 Financial Instruments published in 2019 (phase 1) and 2020 (phase 2) when applicable. The replacement rate Sterling Overnight Index Average ("SONIA") has been applied since August 2021.

#### Impairment of financial assets

Loss allowances for expected credit losses on financial assets which are held at amortised cost are recognised on initial recognition of the underlying asset. As permitted by IFRS 9 *Financial Instruments*, loss allowances on trade receivables arising from the recognition of revenue under IFRS 15 *Revenue from Contracts with Customers* are initially measured at an amount equal to lifetime expected losses. Allowances in respect of loans and other receivables (debtors) are initially recognised at an amount equal to 12-month expected credit losses. Allowances are measured at an amount equal to the lifetime expected credit losses where the credit risk on the receivables increases significantly after initial recognition.

<b>Total current tax</b>		-		-
<b>Total income tax expense</b>		-		-

A reduction in the UK corporation tax rate from 19% to 17% (effective 1 April 2020) was substantively enacted on 6 September 2016. The March 2020 Budget announced that a rate of 19% would continue to apply with effect from 1 April 2020, and this change was substantively enacted on 17 March 2020.

An increase in the UK corporation rate from 19% to 25% (effective 1 April 2023) was substantively enacted on 24 May 2021. This will increase the company's future current tax charge accordingly.

The taxation charge for the year differs from the charge that would be expected based on the statutory 19% (2020: 19%) rate of corporation taxation in the UK. The major causes of this difference are listed below:

## Notes to the financial statements for the year ended 31 December 2021

## 4 Taxation (continued)

## (b) Factors affecting the taxation charge

	2021 £'000	2020 £'000
Profit/(Loss) for the year	117	(68)
Total tax expense	-	-
Profit/(Loss) excluding taxation	117	(68)
Tax using the UK corporation tax rate of 19% (2020: 19%)	22	(13)

## 5 Tangible assets

	Lease hold Buildings Non - Manufacturing £'000	Computer and office equipment £'000	Furniture and fixtures £'000	Plant and Machinery	Total £'000
<b>Cost</b>					
1 January 2021	74	-	114	-	188
<b>31 December 2021</b>	<b>74</b>	<b>-</b>	<b>114</b>	<b>-</b>	<b>188</b>
<b>Accumulated depreciation</b>					
1 January 2021	29	-	114	-	143
Charge for the year	14	-	-	-	14
Differences on exchange	3	-	-	-	3
<b>31 December 2021</b>	<b>46</b>	<b>-</b>	<b>114</b>	<b>-</b>	<b>160</b>
<b>Net book value</b>					
1 January 2021	45	-	-	-	45
<b>31 December 2021</b>	<b>28</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>28</b>

**Notes to the financial statements for the year ended 31 December 2021****6 Debtors: amounts falling due within one year**

	<b>2021</b>	2020
	<b>£'000</b>	£'000
Other debtors	<b>5,237</b>	5,730
Amounts owed by Group undertakings	<b>5,732</b>	5,724
	<b>10,969</b>	11,454

Included in Amounts owed by Group undertakings an amount of £5,610,000 (2020: £5,610,000) is unsecured, interest bearing and repayable on demand. The variable interest rate is in accordance with the Group's intercompany lending agreements. During 2021, the standard lending agreements within the Group were revised to take account of global benchmark interest rate reform. Prior to 1 August 2021 the applicable rate was based on LIBOR and with effect from this date it is based on SONIA. Management consider the replacement rates in the revised intercompany agreement to be economically equivalent to those used previously. The impact of the change in rates was not significant to the Company.

**7 Creditors: amounts falling due within one year**

	<b>2021</b>	2020
	<b>£'000</b>	£'000
Amounts owed to Group undertakings	<b>27</b>	398
Provisions	<b>1,051</b>	1,618
Tax and social security	<b>82</b>	87
	<b>1,160</b>	2,103

Amounts due to Group undertakings are unsecured, interest free and repayable on demand.

Provisions amounting to £1,051,000 (2020: £1,618,000) include costs associated to the closure of the Branch.

**8 Capital and reserves****a) Called up share capital**

<b>Ordinary shares of £1 each</b>	<b>2021</b>	2020
Allotted, called up and fully paid		
- value	£172,000,100	£172,000,100
- number	172,000,100	172,000,100

The called up share capital account records the nominal value of shares.

**b) Other reserves**

Other reserves include differences on exchange arising on the translation of the retained profits and net assets of the Branch from Philippine Pesos to Sterling.

**c) Profit and loss account**

The profit and loss account includes all current and prior period retained profits and losses.
