Notes to the financial statements for the year ended 31 December 2021	11

Strategic report

The Directors present their strategic report on Carreras Limited (the “Company”) for the year ended 31 December 2021.

Principal activities

The Company owns the Craven and Piccadilly tobacco trademarks, which it licenses to other members of the British American Tobacco p.l.c. group of companies (the “Group”) around the world.

Review of the year ended 31 December 2021

The profit for the financial year attributable to the Company’s shareholder after deduction of all charges and the provision of tax amounted to £4,675,000 (2020: £4,252,000).

The Directors expect the Company’s activities to continue on a similar basis in the foreseeable future.

Key performance indicators

Given the nature of the Company’s activities, the Company’s Directors believe that key performance indicators are not necessary or appropriate for an understanding of the Company’s specific development, performance or the position of its business. However, key performance indicators relevant to the Group, and which may be relevant to the Company, are disclosed in the Strategic Report in British American Tobacco p.l.c.’s 2021 Annual Report and Form 20-F (“BAT ARA & 20-F”) and do not form part of this report.

Principal risks and uncertainties

The principal risks and uncertainties of the Company, including financial risk management, are integrated with the principal risks of the Group and are monitored by audit committees to provide a framework for identifying, evaluating and managing risks faced by the Group. Accordingly, the key Group risk factors that may be relevant to the Company are disclosed in the BAT ARA & 20-F and do not form part of this report.

UK Companies Act 2006: Section 172(1) Statement

The Company is part of the Group and is ultimately owned by British American Tobacco p.l.c.. As set out above in the Company’s Strategic Report, the Company’s principal activity is the licensing of the Craven and Piccadilly tobacco trademarks to other members of the Group around the world.

Under Section 172(1) of the UK Companies Act 2006 (the “Act”) and as part of the Directors’ duty to the Company’s shareholder to act as they consider most likely to promote the success of the Company, the Directors must have regard for likely long-term consequences of decisions and the desirability of maintaining a reputation for high standards of business conduct. The Directors must also have regard for the business relationships with the Company’s wider stakeholders, and the impact of the Company’s operations on the environment and communities in which it operates. Consideration of these factors and other relevant matters is embedded into all Board decision-making and risk assessments throughout the year.

The Company’s key stakeholders are Group undertakings licensed by the Company to use trademarks, applicable trademark registry bodies in jurisdictions in which the Company owns trademarks, government authorities in countries in which the Company operates and the Company’s shareholder. The Company does not have any employees, or customers or suppliers outside of the Group.

Primary ways in which the Company engages with intellectual property registry bodies is via its intellectual property service provider, BATMark Limited, which engages with intellectual property registry bodies (either directly or through appointed external legal advisors) in relation to the clearance, filing and renewal of trademarks and in relation to any trademark disputes. The ways in which the Company engages directly or indirectly, as part of the Group, with its key external stakeholders are summarised on pages 20 to 21 of the BAT ARA & 20-F.

Primary ways in which the Company engages with other Group undertakings and its shareholder are through regular meetings, intra-group management activities and ongoing dialogue. There is also regular engagement within the Group on finance-related matters which is taken into account in the Company’s decision making.

Strategic report (continued)

UK Companies Act 2006: Section 172 (1) Statement (continued)

Where the Directors do not engage directly with the Company's stakeholders, they are kept updated on stakeholder perspectives, the impact of decisions on relevant stakeholders and engagement conducted with stakeholders, where applicable, including through the use of management reporting and board notes relating to matters presented to the Board during the year which set out stakeholder considerations as applicable to matters under consideration. This enables the Directors to maintain an effective understanding of what matters to those stakeholders and to draw on these perspectives in Board decision-making.

In accordance with the Group's overall governance and internal controls framework and in support of the Company's purpose as part of the Group, the Company applies and the Directors have due regard to all applicable Group policies and procedures, including the Group Statement of Delegated Authorities ("SoDA"), and the Group Standards of Business Conduct, International Marketing Principles, Health and Safety Policy, and Environmental Policy as set out on pages 48 and 73 of the BAT ARA & 20-F. As a Group company, the Company acts in accordance with the Group's policies in relation to the safeguarding of human rights and community relationships, which are set out on page 48 of the BAT ARA & 20-F.

Certain authorities for decision-making are delegated to management under the SoDA, part of the Group's governance and internal controls framework through which robust corporate governance, risk management and internal control are promoted within the Group. Application of the SoDA does not derogate from any requirement for Board review, oversight or approval in relation to the Company's activities.

The Directors receive training in relation to their role and duties as a director on a periodic basis. All newly appointed Directors receive an induction and training in respect of their roles and duties on appointment, including on directors' duties under Section 172 of the Act. Director training is provided through the Company Secretary.

Directors' report

The Directors present their report together with the audited financial statements of the Company for the year ended 31 December 2021.

Dividends

The Directors do not recommend the payment of a dividend for the year (2020: £nil).

Board of Directors

The names of the persons who served as Directors of the Company during the period 1 January 2021 to the date of this report are as follows:

Paul McCrory	(Resigned on 4 June 2021)
Ridirectors Limited	
David Patrick Ian Booth	
Roger Anthony Carr Evans	

Research and development

No research and development expenditure has been incurred during the year (2020: £nil).

Political contributions

The Company made no political donations or incurred any political expenditure during the year (2020: £nil).

Employees

The average number of employees employed by the Company during the year was nil (2020: nil).

Auditor

Pursuant to Section 487 of the Act, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Statement of Directors' responsibilities

The Directors are responsible for preparing the strategic report, the directors' report and the financial statements in accordance with applicable law and regulations.

Applicable law requires the Directors to prepare financial statements for each financial year. Under applicable law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice).

Under applicable law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Directors' report (continued)

Statement of Directors' responsibilities (continued)

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Act. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Directors' declaration in relation to relevant audit information

Having made appropriate enquiries, each of the Directors who held office at the date of approval of this report confirms that:

- (a) to the best of their knowledge and belief, there is no relevant audit information of which the Company's auditor is unaware; and
- (b) they have taken all steps that a Director might reasonably be expected to have taken in order to make himself or herself aware of relevant audit information and to establish that the Company's auditor is aware of that information.

Independent Auditor's Report to the members of Carreras Limited

Opinion

We have audited the financial statements of Carreras Limited ("the Company") for the year ended 31 December 2021 which comprise the Profit and loss account, Statement of changes in equity, Balance sheet and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2021 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

In our evaluation of the directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period.

Our conclusions based on this work:

- we consider that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate;
- we have not identified, and concur with the directors' assessment that there is not, a material uncertainty related to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for the going concern period.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the above conclusions are not a guarantee that the Company will continue in operation.

Fraud and breaches of laws and regulations – ability to detect

Identifying and responding to risks of material misstatement due to fraud

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included:

- Enquiring of directors and inspection of policy documentation as to the Company's policies and procedures to prevent and detect fraud as well as whether they have knowledge of any actual, suspected or alleged fraud.
- Reading Board minutes.
- Using analytical procedures to identify any unusual or unexpected relationships.

Independent Auditor's Report to the members of Carreras Limited (continued)

Identifying and responding to risks of material misstatement due to fraud (continued)

As required by auditing standards, we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries and the risk of bias in accounting estimates and judgements such as impairment of intangible assets with indefinite useful life. On this audit we do not believe there is a fraud risk related to revenue recognition because there are not complex revenue transactions. Revenue is limited to income earned from signed royalty agreements with no performance targets attached to such revenue.

We did not identify any additional fraud risks. We also performed procedures including:

- Identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation. These included those posted by an individual not authorised to approve postings and those posted to accounts that contain significant estimates and period-end adjustments.
- Assessing whether the judgements made in making accounting estimates are indicative of a potential bias.

Identifying and responding to risks of material misstatement related to compliance with laws and regulations

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience and through discussion with the directors (as required by auditing standards), and discussed with the directors the policies and procedures regarding compliance with laws and regulations.

The Company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies legislation), distributable profits legislation and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

Whilst the Company is subject to many other laws and regulations, we did not identify any others where the consequences of non-compliance alone could have a material effect on amounts or disclosures in the financial statements.

Context of the ability of the audit to detect fraud or breaches of law or regulation

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

Strategic report and directors' report

The directors are responsible for the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon. Our responsibility is to read the strategic report and the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

Independent Auditor's Report to the members of Carreras Limited (continued)

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on pages 4 and 5, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

The accompanying notes are an integral part of the financial statements.

Notes to the financial statements for the year ended 31 December 2021

1 Accounting policies

Basis of accounting

The Company is a private company incorporated, domiciled and registered in England in the UK. The registered number is 00384818 and the registered address is Globe House, 4 Temple Place, London, WC2R 2PG.

The financial statements of the Company have been prepared in accordance with the Companies Act 2006 ('the Act') and in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ('FRS 101').

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of UK-adopted international accounting standards, but makes amendments where necessary in order to comply with the Act, and has taken advantage of certain disclosure exemptions available under FRS 101, including those relating to the preparation of a cash flow statement or disclosures regarding financial instruments and transactions with related parties.

The Directors have at the time of approving these financial statements a reasonable expectation that the Company has adequate resources to continue in operational existence for 12 months following the signing of these accounts.

The preparation of the financial statements requires the Directors to make estimates and assumptions that affect the reported amounts of income, expenses, assets and liabilities, and the disclosure of contingent liabilities at the date of the financial statements. The key estimates and assumptions are set out in the accounting policies below, together with the related notes to the accounts.

The critical accounting estimates include:

- the review of the carrying values of intangible assets;
- the review of the carrying value of other financial assets, especially recoverability of debtors;

The critical accounting judgements include the review of economic useful life of intangible assets;

Such estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable in the circumstances and constitute management's best judgment at the date of the financial statements. In the future, actual experience may deviate from these estimates and assumptions, which could affect the financial statements as the original estimates and assumptions are modified, as appropriate, in the year in which the circumstances change.

The accounting policies set out below, have unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Foreign currencies

The functional currency of the Company is Sterling. Transactions arising in currencies other than Sterling are translated at the rate of exchange ruling on the date of the transaction. Monetary assets and liabilities expressed in currencies other than Sterling are translated at rates of exchange ruling at the end of the financial year.

Turnover

Turnover comprises sales-based royalties from licensing arrangements with fellow British American Tobacco p.l.c. Group companies around the world. Sales-based royalties are not recognized until the relevant product sale occurs based upon the royalty exception under International Financial Reporting Standard ("IFRS")15.

Operating expenses

Operating expenses are recorded in the period they relate to and are generated in the normal business operations of the Company.

Notes to the financial statements for the year ended 31 December 2021

1 Accounting policies (continued)

Taxation

Taxation is that chargeable on the profits for the period, together with deferred taxation.

The current income tax charge is calculated on the basis of tax laws enacted or substantively enacted at the balance sheet date.

Tax is recognised in the profit and loss account except to the extent that it relates to items recognised in other comprehensive income or directly in equity, in which case it is recognised in other comprehensive income or changes in equity.

Any liabilities or assets recognised for exposures in respect of the payment or recovery of a number of taxes are recognised at such time as an outcome becomes probable and when the amount can reasonably be estimated.

As a UK resident wholly-owned subsidiary of the Group, the Company is eligible to surrender tax losses to, or claim tax losses from, fellow members of the same UK Group for the purposes of calculating corporation tax due in the UK ("Group Relief").

It is Group policy that tax losses are surrendered unless the entity generating the losses has a particular requirement to carry the losses forward. It is also Group policy not to reimburse entities for Group Relief surrendered unless, on a stand-alone basis and assuming the entity were not in the Group, those losses are judged to have value to the entity generating the loss.

Intangible assets

The intangible assets shown on the Company balance sheet consist mainly of trademarks and similar intangibles with indefinite lives.

Intangibles with indefinite lives are not amortised but are reviewed annually for impairment. Any impairment of trademarks is recognised in the income statement but increases in trademark values are not recognised.

Dividends

Final dividend distributions to the Company's shareholder are recognised as a liability in the Company's financial statements in the period in which the dividends are approved by the Company's shareholder at the Annual General Meeting, while interim dividend distributions are recognised in the period in which the dividends are declared and paid.

Financial instruments

The Company's business model for managing financial assets is set out in the Group Treasury Manual which notes that the primary objective with regard to the management of cash and investments is to protect against the loss of principal. The majority of financial assets are held in order to collect contractual cash flows (typically loans and other receivables).

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and derecognised when it ceases to be a party to such provisions. Such assets and liabilities are classified as current if they are expected to be realised or settled within 12 months after the balance sheet date. If not, they are classified as non-current. Financial instruments are initially recognised at fair value plus directly attributable transaction costs where applicable, with subsequent measurement as set out below. The Company's financial assets (loans and receivables, amounts owed by Group undertakings and other debtors) are subsequently carried at amortised cost. Non-derivative financial liabilities, including creditors, are subsequently carried at amortised cost using the effective interest method.

Where interest bearing receivables and payables have their floating rates based on benchmark rates, such as London Interbank Offered Rate ("LIBOR"), the Company accounted for the application of replacement benchmark rates in accordance with the Amendments to International Financial Reporting Standard ("IFRS") 9 *Financial Instruments* published in 2019 (phase 1) and 2020 (phase 2) when applicable. The replacement rate Sterling Overnight Index Average ("SONIA") has been applied since August 2021.

Notes to the financial statements for the year ended 31 December 2021

1 Accounting policies (continued)

Impairment of financial assets held at amortised cost

Loss allowances for expected credit losses on financial assets which are held at amortized cost are recognized on the initial recognition of the underlying asset. As permitted by IFRS 9, the loss allowance on trade receivables arising from the recognition of revenue under IFRS 15 are initially measured at an amount equal to lifetime expected losses. Allowances in respect of loans and other receivables (debtors) are initially recognised at an amount equal to 12-month expected credit losses. Allowances are measured at an amount equal to the lifetime expected credit losses where the credit risk on the receivables increases significantly after initial recognition.

Impairment of non-financial assets

Assets are reviewed for impairment whenever events indicate that the carrying amount of an asset may not be recoverable. In addition, assets that have indefinite useful lives are tested annually for impairment. An impairment loss is recognised to the extent that the carrying value exceeds the higher of the asset's fair value less costs to sell and its value in use.

2 Turnover

Turnover comprises sales-based royalties from fellow Group companies.

3 Other operating income

	2021	2020
	£'000	£'000
Exchange gain	31	-
	31	-

4 Other operating expenses

	2021	2020
	£'000	£'000
Exchange loss	-	(52)
Other expenses	(75)	(113)
	(75)	(165)

Auditor's fees of £2,500 were borne by a fellow Group undertaking (2020: £2,500).

There were no employees (2020: none) and no staff costs during the year (2020: £nil).

None of the Directors received any remuneration in respect of their services as a Director of the Company during the year (2020: £nil). The Company considers that there is no practicable method to allocate a portion of the emoluments the Directors receive from their respective Group company employer for any qualifying services in respect of the Company, as these are considered to be incidental and part of the Directors overall management responsibilities within the Group.

5 Interest receivable and similar income

	2021	2020
	£'000	£'000
Interest receivable from Group companies	1	10
	1	10

Notes to the financial statements for the year ended 31 December 2021

6 Taxation

(a) Recognised in the profit and loss account

	2021 £'000	£'000	2020 £'000	£'000
<i>UK corporation tax</i>				
Current tax on income for the period	368		337	
		368		337
Double taxation relief	(368)		(337)	
		(368)		(337)
<i>Foreign tax</i>				
Current tax on income for the period	368		337	
Total current tax		368		337
Total income tax expense (note 6b)		368		337

(b) Factors affecting the taxation charge

A reduction in the UK corporation tax rate from 19% to 17% (effective 1 April 2020) was substantively enacted on 6 September 2016. The March 2020 Budget announced that a rate of 19% would continue to apply with effect from 1 April 2020, and this change was substantively enacted on 17 March 2020.

An increase in the UK corporation rate from 19% to 25% (effective 1 April 2023) was substantively enacted on 24 May 2021. This will increase the company's future current tax charge accordingly.

The taxation charge for the year differs from the charge that would be expected based on the statutory 19% (2020: 19%) rate of corporation taxation in the UK. The major causes of this difference are listed below:

	2021 £'000	2020 £'000
Profit for the year	4,675	4,253
Total tax expense	368	337
Profit excluding taxation	5,043	4,590
Tax using the UK corporation tax rate of 19.00% (2020: 19.00%)	958	872
Transfer pricing adjustments	(3)	(3)
Group Relief claimed for nil consideration	(587)	(532)
Total tax charge for the period (note 6a)	368	337

7 Intangible assets

Intangible assets represent Craven and Piccadilly tobacco trademarks and licences at cost of £6,178,000 (2020: £6,178,000).

Management have determined that they are comfortable that there is no foreseeable limit to the period over which the brand is expected to generate net cash inflows based on latest business plans, and that there are currently no proposals to delist the brands or migrate them to alternative brands. Management are not aware of any actual or potential restrictions prohibiting the use of the brands and trademarks.

The trademarks have been tested for impairment in line with the following methodology. The recoverable amounts of trademarks and similar intangibles with indefinite lives have been determined using discounted future estimated cash flows based on royalty income to be generated by the respective trademarks, covering five years horizon and thereafter into perpetuity. There was no indication of impairment.

Notes to the financial statements for the year ended 31 December 2021

8 Debtors: amounts falling due within one year

	2021 £'000	2020 £'000
Amounts owed by Group undertakings	16,106	11,456

Included within amounts owed by Group undertakings is an amount of £15,489,000 (2020: £10,031,000) which is unsecured, interest bearing and are repayable on demand. The interest rate is in accordance with the Group's intercompany lending agreements. During 2021, the standard lending agreements within the Group were revised to take account of global benchmark interest rate reform. Prior to 1 August 2021 the applicable rate was based on the London InterBank Interest Rate ("LIBOR") and with effect from this date it is based on the Sterling Overnight Index Average ("SONIA"). Management consider the replacement rates in the revised intercompany agreement to be economically equivalent to those used previously. The impact of the change in rates was not significant to the Company. Other amounts owed by Group undertakings are unsecured, interest free and repayable on demand.

9 Creditors: amounts falling due within one year
