The salient dates and other dividend declaration information announced on 11 February 2022 remain unchanged for the February 2023 Dividend.

South Africa Branch Register: Dividend Rate

The British American Tobacco Group reports in sterling, therefore dividends are declared and payable in sterling except for shareholders on the branch register in South Africa whose dividends are payable in rand. A rate of exchange of £:R= 20.99940 as at 8 December 2022 (the closing rate on that date as quoted by Bloomberg), results in an equivalent February 2023 Dividend of 1143.41733 SA cents per ordinary share.

South Africa Branch Register: Dividends Tax Information

South Africa Dividends Tax (at a rate of 20%), equivalent to 228.68347 SA cents per ordinary share, will be withheld from the gross February 2023 Dividend paid to shareholders on the South Africa branch register, unless a shareholder qualifies for an exemption. After Dividends Tax has been withheld, the net dividend will be 914.73386 SA cents per ordinary share. The February 2023 Dividend is regarded as a ‘foreign dividend’ for the purposes of the South Africa Dividends Tax. For the purposes of South Africa Dividends Tax reporting, the source of income for the payment of the February 2023 Dividend is the United Kingdom.

At the close of business on 8 December 2022 (the latest practicable date prior to the date of the declaration of the South African rand equivalent of the February 2023 Dividend), the Company had a total of 2,238,004,540 ordinary shares in issue (excluding treasury shares).
